## NOTIFICATION OF STATEMENTS OF NUTRITIONAL SUPPORT

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. §343 (r)(6).

Name of dietary supplement: PharmaLogics Folic Acid

Statements of  
nutritional support:

Balance Homocysteine for Cardiovascular Health; Folic acid is a B vitamin that helps to balance homocysteine. Folic acid limits the production of homocysteine which is important in maintaining arterial health. Adequate folic acid in a healthy diet may reduce a woman's risk of having a child with a brain or spinal cord defect.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the statements are truthful and not misleading.
